**Whatever Your Dreams Are With Isagenix, You Can Achieve Them!!
Learn From Those Who Have Done It -- Learn To Keep It Simple !**

Quotable Quotes From The Training:

"I have found the next billion dollar company! It is my vehicle to achieve my dreams and goals. And you know what, I would love to have you come with me!!"

"When is your FREEDOM DAY -- the day you can quit your job and not make decisions based on money but based on your values and dreams and desires? A job is earning a living, which is fine – Isagenix is building a life, which is super fine!

"I am doing today what others won't, so that I can do tomorrow what others can't!"

"People want to follow people who know where they are going and know how to get there."

"Be the change you are wanting to see in your own life."

"Start now -- even if you feel you are ready or not-- don't wait -- we have the plan -- just talk to at least two people a day -- just tell your story -- keep it simple -- you don't have to wait -- start now! Don't wait -- tomorrow may never come -- because if you don't, you may never start -- 'someday' is not a day of the week -- decide on THE day!!"

"Do whatever it takes. Nothing can stop you except yourself."

SAMPLE DECLARATION -- LENNY EVANS 3-4-06

I Lenny Evans choose to be earning \$10,000 dollars or more, on or before Dec 31, 2006. I choose to serve others by enthusiastically sharing the gift of Isagenix, both the health Products and the wealth products. I will share my opportunity with a minimum of 3 people each day. I will attend or host 3 meetings each week. I will do a minimum of five 3-way calls each day. I will plan events or plug into events already scheduled and build to those events. I clearly communicate my message of Isagenix, and align my mission with the mission and vision of Isagenix. I know the numbers and I teach the power of two to other people. As I love and serve my leaders and help them achieve their dreams and goals - as a direct result I will achieve my dreams and goals." Then I visualize my plan and the life I will be living when I have achieved this plan.

DECLARATION OF VISION & INTENT, ELISABETH ANDERSEN 3-12-06
I will read this Declaration out loud to myself daily.

PART 1: To keep balance in the many important facets of our lives, our DECLARATION includes additional areas important to us that are not included below, i.e. declarations in personal, spiritual, family, church, and community aspects of our lives -- we encourage you to do the same!

PART 2: SHEPHERDING OUR "FLOCKS & FIELDS" AS "GUARDIAN ANGELS"

I, Elisabeth Andersen, choose to establish jointly with my husband, Darian, our Isagenix Teams to help make a positive difference in the lives of one hundred thousand people by the year 2012. I clearly communicate our message of Isagenix, and have aligned my mission with the mission and vision of Isagenix, which is:

**To Impact World Health and Free People
From Pain Both Physically and
Financially and in the Process Create
The Largest Health and Wellness
Company in the World.**

**By Personally Connecting My Vision With Theirs
We Can Create Miracles**

I work with Darian to strengthen existing leaders and personally sponsor new leaders so that we are consistently cycling 40 times or more per week on or before December 31st, 2006, and have cycled 40 times at least once by June 1st, 2006.

I choose to serve others by enthusiastically sharing the gift of Isagenix, both the health products and the wealth products. I share my opportunity with a minimum of 2 NEW people each day and call at least five people each day using my "Guardian Angel" file box 3 x 5 cards. I contact the Rank Achievers, new Associates whenever possible, and people who request RMA's. I use the Interview Sheet with our new Personally Sponsored Associates. I maintain the www.isacalls.com Team Training Website in order to provide support for everyone on our Teams. I plan events or plug into events already scheduled and build to those events -- a minimum of 2 each month. I help our Team Members understand that attending the annual Convention is not optional if they are serious about achieving their time and financial freedom goals.

I am a Product of the Product, using the Isagenix health system to maintain my health and fitness. My meals are based on the wholesome 40-30-30 nutritional balance, I drink at least 10 glasses of water daily, exercise 5 or 6 days a week, and get not less than 7 hours of rest at night.

I know the numbers and I teach the power of two to other people. I love and serve my Isagenix Team leaders and help them achieve their dreams and goals -- as a direct result I am achieving my dreams and goals, including by December 31st, 2006: (list a few specific goals such as paying off your car or a student loan or medical bill, etc.) And because we have no time or financial constraints by Sept 2, 2007, I am achieving the additional goals and dreams of: (list a few additional longer term specific goals such as paying off the mortgage on your home, retiring.)

I am Healthy, Happy, Fit, Financially Independent & Secure,
At Peace with Myself & Others, and Find Joy in Helping Others to Improve Their Quality of Life
