

ISAGENIX INTERNATIONAL RECEIVES U.S. CONGRESSIONAL RECOGNITION

In August 2005 at the Annual Convention held in Phoenix - the State of Arizona recognized the OUTSTANDING Success of Isagenix International by awarding the Company a US Congressional Citation.

This is the first time the U.S. Congress has honored a Network Marketing company for its excellence and contribution to society !

Congressman John Shadegg (via his representative) proudly presented Isagenix with a very prestigious Congressional Award in recognition of the growth and contribution of Isagenix International – particularly in the following areas . . .

- Isagenix International is the fastest-growing company in Arizona . . . contributing significantly to the Economic Development of the State.
- Isagenix International's outstanding Cleansing and Nutritional Products and Entrepreneurial Business Opportunity have had a profound impact on the Wellness and Economy of the Nation.
- Also recognized was Isagenix International's Leadership . . . specifically John and Cher Anderson (Founders and Co-Owners of Isagenix International). The high points include the following areas of leadership:
 - Isagenix has demonstrated a high level of Business Leadership, Ethics and Principles that stand as a role model for Corporate Development.
 - Isagenix demonstrates Management Skills and Nutritional Research Leadership that sets a high standard of excellence.
