Over 5 years ago, I was trying to exercise -- but I kept injuring myself and my joints were giving me a lot of trouble. I was stuck at the weight I was just before delivering our first child, in spite of using a variety of different diets and weight loss products. I often had nameless cravings and felt overwhelmed by evening.

Then a friend introduced us to the remarkable Isagenix Nutritional Cleansing Technology that CLEANSSES and NOURISHES the body inside WITH NO HARSH STIMULANTS, NO MA HUANG, NO EPHEDRA, and NO ADDED CAFFEINE -- just pure foods wholesome nutrition.

As a result, in my first 9-days I LOST AN INCREDIBLE 9 POUNDS, 4.5 inches off my waist and 1.75 inches off my hips. I had energy, felt great, and didn't feel hungry at all. In 7 WEEKS, I WAS DOWN 17 POUNDS . . . 7 inches off my waist and 3.25 inches off my hips! I went from size 14 to a 6 in 6 months ~ I hadn't been a size 6 since I was in college. I was able to go back to playing racquetball, and the nameless cravings were gone. I felt relaxed and in control of my life again. To maintain our results, we use the daily Total Health & Wellness System along with good healthy eating and mild exercise. Then occasionally, we do another Cleanse Program

I improved my health so much using the Isagenix Nutritional Cleansing Products that my life insurance company doubled my coverage and extended it 15 years for the same premium!

I work as a business attorney to earn my living. Together with my wife Elisabeth and son Nate, I'm creating time and financial freedom part-time ~ building our Isagenix International Business. I counsel people in business to have a leveraged residual income. Isagenix is clearly the best leveraged residual income opportunity I have seen.

The company has assembled a highly skilled management team of seasoned professionals to support strategic long-term rapid growth. There is a strong emphasis on what is good for the Associates in the field and on making a difference in people's lives both physically and financially. They are expanding internationally, recently adding Hong Kong, Australia, and New Zealand to Canada and Puerto Rico.

We are excited about our great health and about being part of this dynamic, far-sighted company!
